First Steps After Registration

I am going to start at the top in W3M and work down through all the options to FREE startup.

The 8-Part Compensation Plan

You are placed into all three Monolines (Starter, Builder, Executive) when you sign up. To activate this, you need to buy at least the starter pack for a one time **\$50 within 72 hours** of registration. See Compensation Plan in the Ad Co-op page.

If you don't activate in the specified time, you will simply lose ground in that part of the compensation plan.

1

Monolines (×3)

Parts 1, 2 & 3 — Starter, Builder, Executive Monolines.

2

Referral Commissions

Part 4 — 8-level Unilevel matrix triggered when referrals buy Ad Co-op packages. Becomes extremely powerful as you build.

3

Ad Co-op Passive Income

Part 5 — Holding Ad Co-op Packs returns up to **1% daily (weekdays)** until you receive up to **2.5× your investment**. Pure passive income — legal, ethical and sustainable.

4

Travel Savings Matrices (×3)

Parts 6, 7 & 8 — Three forced matrices accompanying the purchase of additional Travel Savings Dollars.

Start at the Top — W₃M Level 1

This requires **100 or more Ad Co-op packages**. $100 \times \$250 = \$25,000$

Forced Matrices

All 3: Starter \$50 + Builder \$210 +
Executive \$2,010 = **\$2,270**

Grand Total

\$27,270

Passive Returns

\$250 every weekday — 22 weeks to be in profit, excluding compounding and
Monoline Payments.

Active Returns

With each personal sale of this package you receive at least **\$1,548**.

Matrix Completions

Starter **\$528** · Builder **\$2,640** · Executive **\$16,500**

So, you can see this is a great place to position yourself and make a big income very fast. All done with a safety net of passive income, which means there is no way you can lose.

One Step Down — W₃M Level 2

This requires **20 or more Ad Co-op packages**. $20 \times \$250 = \$5,000$

Forced Matrices

All 3: Starter \$50 + Builder \$210 + Executive \$2,010 = **\$2,270**

Grand Total

\$7,270

Much more affordable and once again risk free due to the Passive income element. Still a great place to generate huge income if you are active, because the **3 forced matrices bring in a total of \$19,688** every time all 3 complete.

Total Matrix Payout

Every time all 3 forced matrices complete.

Passive Returns

\$50 every weekday — 30 weeks to be in profit, excluding Monoline Payments.

Most Popular Level — W₃M Level 3

Another step down, to one of the most popular levels. This requires **10 or more Ad Co-op packages**. $10 \times \$250 = \mathbf{\$2,500}$

Forced Matrices

All 3: Starter \$50 + Builder \$210 + Executive \$2,010 = **\$2,270**

And of course, with a few sales and the duplication created by the Amplify System the 3 forced matrices bring in a total of **\$19,688** every time all 3 complete.

Getting Really Affordable — W₃M Level 4

This is now getting really affordable. With just **1 or more Ad Co-op packages**. $1 \times \$250 = \250

All 3: Starter \$50 + Builder \$210 + Executive \$2,010 = **\$2,270**

Grand Total

Other Options — Starter & Builder Only

The reason we have always had the purchases enabling the 3 forced matrices is because with all 3 the returns on the Ad Co-op Packages are at the highest level of **1% a day**. However, if only the Starter and Builder packs are ordered you can still earn **0.75% daily** and the initial cost could be:

Ad Co-op Packages

With just 1 or more Ad Co-op packages. $1 \times \$250 =$ **\$250**

Starter & Builder Packages

Starter \$50 + Builder \$210 = **\$260**

Grand Total

\$510

Passive Returns

\$1.87 every weekday per Ad Pack. From 1–9 packs there is still the safety of passive income, excluding Monoline Payments. Passive profit in **55 weeks** with 1 Ad Pack, **41 weeks** with 2 Ad Packs and so on.

Active Returns

With each personal sale of this package you receive at least **\$60.50**.

Matrix Completions

Starter **\$528** + Builder **\$2,640** = Total **\$3,168**.

Starting with No Passive Income — \$50 Entry

Get started with just a one-time **\$50** (may be financed with a low **\$20 downpayment** in some poorer countries). This locks in your Starter Monoline, which is passive but not able to be forecast.

You and your team can use the automated recruiting and sales system, the **W3M Amplify** (available soon) to help build the 3×3 matrix.

Per Personal Sale

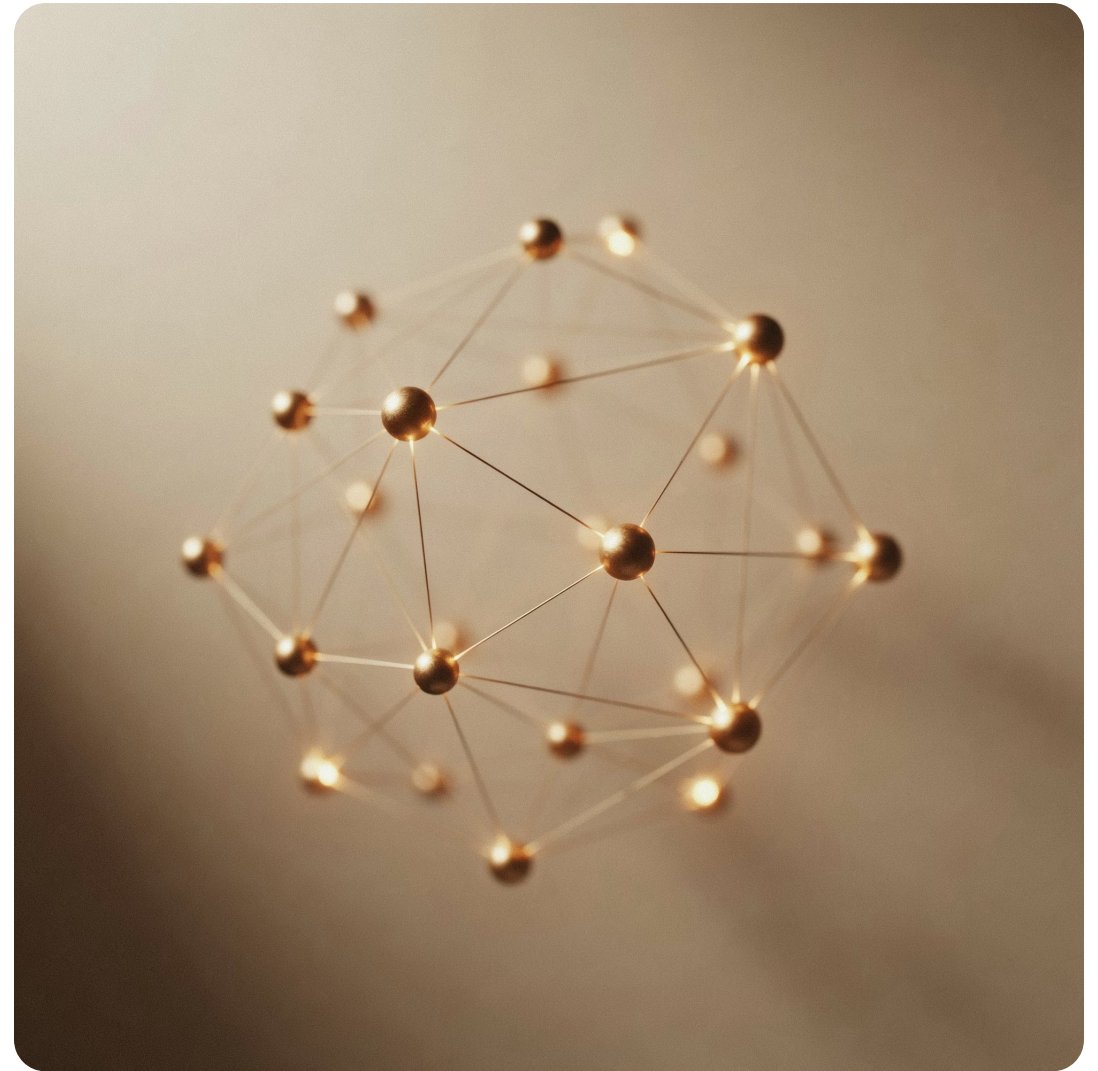

Each personal sale at this level creates from **\$8 to \$16**. Everyone should aim to make at least **7 personal sales** to hit a profit level independent of team efforts.

The Magic of 7

7 is a magic number in network marketing: **1 in 7 will buy**, 1 in 7 who buy will refer a few others, 1 in 7 who refer others will go on to become top earners. Put simply it's just a numbers game and the more consistent effort you apply, the greater will be your success.

AI-Powered Duplication

This takes a little longer, but allows anyone anywhere to succeed in building a team with a set and forget AI system helping you and creating the all-important duplication needed for true success. The more you refer, the more will see the wisdom of buying at least the Starter Package.

FREE Membership

It is even possible to make money starting **FREE** and working your way up the ladder.

What You Get as a Free Member

\$50 in Travel Savings Dollars and access to the heavily discounted Hotel and Restaurant prices.

Your Income Path

You may, if lucky, receive some income from the Monoline, but your only certain income will come from referring people who take up the option to receive Passive Income from the purchase of the Ad Co-op Packages.

The Ladder Begins at \$12.50

You will receive **\$12.50 on every Ad Pack sold** — so with just **4 Packs sold** you can buy the Starter Pack and start climbing the ladder with no limit to how high you can go.
