

Welcome to the Best Plan Ever.

This is a unique opportunity to generate a huge income without the need for any out-of-pocket expense.

We as a community, lend you the startup cost which you only ever repay (\$30) from your commissions. If you make nothing you owe nothing – so it's 100% risk free.

We can do this because we are a caring, not-for-profit community, here to help everyone succeed.

However, this is not a passive opportunity and we cannot guarantee your success. It requires you to help others by giving them the same opportunity that you now have.

As soon as you register you can refer others, and each referral that completes their KYC ID verification earns you a \$1 commission, and we credit each member's BPE Wallet with \$5 just as soon as they complete the KYC ID verification.

Let me caution you, it serves no purpose to refer people who are not interested in helping others to take advantage of the plan; it may earn you a few dollars but will not leverage your income, because they will not follow you into the associated plans where you will see BIG COMMISSIONS.

O.K! Let's look at the simple steps and how you will **go from zero to hero in quick time:**

1. You register with We Share Abundance and verify your ID and email address.
2. You receive \$5 in your BPE Wallet to kick start your journey.
3. You also receive \$2 in your US\$ Wallet ([see FAQ's](#)) which helps you on the road to becoming an Active Elite Member eligible for FREE Random Withdrawals every week.
4. You refer a few other people who want to make unlimited income RISK FREE.
5. If you refer 6 people within a week of registration, we will give you an additional \$4 bonus, so you will have a total of \$15 in your wallet. If it takes you longer than a week, then you will need to refer 8 people to start the automated leverage process, and 10 people to reach the \$15 level.
6. Once you have accumulated \$12.50, we use that to pay you into the Success Blueprint and the next \$2 will be used to pay you into the Easy Team Builder.
7. Once you are active in the Success Blueprint and Easy Team Builder, any additional commissions earned may be withdrawn, subject to the \$30 loan repayment having been made.
8. As your referrals accumulate their BPE wallet funds, they will follow you into the Success Blueprint and the Easy Team Builder. This is likely to be 5, 8, 10 or more and will quickly fill the Success Blueprint 3 x 3 matrix.
9. The magic starts to happen at this point because you, having completed your Success Blueprint Matrix, will be paid into 4 additional income streams (777 Plan, Poverty Crusher Plan, ShareHope Powerline Plan and TIR). As your referrals follow you into these powerful income streams you will **start earning commissions.**
 - a. With 5 referrals following you, your initial income is at least \$250 a month
This can happen in 2 weeks if everyone gets 5 in a week to claim their extra \$5 Bonus.
 - b. With 8 referrals following you, your initial income is at least \$400 a month
 - c. With 10 referrals following you, your initial income is at least \$500 a month
 - d. **Remember that from the above commissions you will repay your \$30 loan.**
10. The next level follows you into the plans.
 - a. With 25 (5 x 5) referrals following you, your income is at least \$1,200 a month. This can happen in 3 weeks if everyone gets 6 in a week and claims their extra \$4 Bonus.
 - b. With 64 (8 x 8) referrals following you, your income is at least \$3,000 a month
 - c. With 100 (10 x 10) referrals following you, your income is at least \$5,000 a month

It is important to note that, this is recurring income, and it becomes an unstoppable force. It **does** rely on all members playing their part and that is why, even though this is very simple, we can't guarantee anyone's success. There will be some who do nothing and others that do a lot; but all it really requires, are 3 people that duplicate and within a month or 2 at most you will have a monthly, increasing, recurring income in well in excess of \$2,000.

Although not required, there is an option to buy into all We Share Abundance plans at a discount within your first 10 days of registration. This is a wise choice because, it eliminates the risk of you referring someone who moves faster than you, and you ending up in their downline instead of them being in yours. The cost is just \$36.75 and also makes you instantly eligible for FREE CASH weekly, see more here ➡
